

STUDY SMARTER, NOT LONGER

She just revised a whole term in one evening.

StudyAI turns your teacher's own lesson notes into flashcards, quiz questions and study guides. Same syllabus. Same teacher. Far less guessing about what to revise.

1

Teacher uploads

The lesson note they already wrote goes in as it is.

2

StudyAI builds

Flashcards, questions and a study guide, in minutes.

3

Teacher approves

Nothing reaches a pupil until a teacher has checked it.

4

Pupils revise

Weak topics come back more often, until they stick.

For teachers

Hours of preparation returned to you every single week.

For pupils

One clear screen: what to revise, and which exam is next.

For schools

Every class, every teacher and every naira of AI spend, visible.

One note in

A full study pack out

Minutes

Not another lost evening

Teacher approved

Before any pupil sees it

Set monthly cap

Costs never run away

Book a free demo for your school

We will set it up with your own subjects and classes.
